Key Components of this Community School Model

**Mechanisms**

1. Community School Coordinator
2. Needs/Assets Assessment
3. Stakeholder Problem Solving Teams
4. Community School Stakeholder & Partner Coordination

**Pillars**

1. Integrated student supports
2. Expanded & Enriched Learning time and Opportunities
3. Active Family of Community Engagement.
4. Collaborative Leadership & Practices
Key Components of this Community School Model
Community Schools: History in LAUSD

**Antonio Plascencia**
Director, Parent and Community Services
Community School Steering Committee Co-Chair

**Rosa Jimenez**
Title III Instructional Coach, UCLA Community School
Community School Steering Committee Co-Chair

**Marisa Saunders**
Principal Investigator, UCLA Consortium of Community Schools
• Reclaim Our Schools LA (ROSLA) formed in 2016.
• A coalition of parents, educators, students, & community members working to improve access and advance opportunities in public education for all students so they thrive in the classroom, in their communities, and beyond.
• Key goals:
  ○ Advance the Community Schools model in LAUSD
  ○ Fight privatization
  ○ End random searches
  ○ Fully fund public schools
Our Work to Advance Community Schools

• On July 13th, 2017, the Board endorsed a resolution that called for the creation of a Community Schools plan.

• Out of this resolution came the Community Schools Implementation Team (CSIT).

• Leaders met with all board members and Deputy Superintendent Ekchian to ask for $5 million to fund the effort.
Los Angeles Unified Community Schools Implementation Team

- Office of the Deputy Superintendent organizes a team with student, family, teacher, labor, and community representation.

- Partners develop a syllabus to study the tenet of Community Schooling at Los Angeles Unified

- Resulted with a plan highlighting existing Community Schools and partner organizations incubating this framework at Los Angeles Unified.

- Findings highlighted over 20 years of Community Schooling with Los Angeles Education Partnership, Youth Policy Institute, UCLA, and sites organically leading with the tenets.
The LA Teacher Strike centered Community Schools in its platform.

During negotiations with LAUSD, UTLA referenced the CSIT’s document which outlined a vision for the implementation of Community Schools.

Per the agreement, funding was allocated for 2 community school cohorts for 2 years.

A steering committee made up of 16 members selected by both District and UTLA was formed. Co-Chairs: Antonio Plascencia and Sharon Delugach.
Co-Conveners:

• UNITE-LA on-boarded as Co-convener – connects Community Schools to L.A. Compact
• Establish Community Schools Steering Committee and Co-chairs.
• Adopt a logic model and implementation timeline.
• Coordinate support for Cohort I
  • Application process
  • Workshops
  • Scoring
• Select and onboard first 17 of our 30 sites.
UCLA CONSORTIUM OF COMMUNITY SCHOOLS
Who we are?

Marisa Saunders
Associate Director for Research
UCLA Center for Community Schooling

Nivia Alvarado, Rosa Jimenez, Darlene Tieu, Roberto Vega, Lorenza Yarnes
Teacher Research Fellows
Los Angeles Unified School District
Community Schools
What we do?

• Acknowledge the history of community schools in Los Angeles Unified School District
• Document diverse instantiations of community schools
• Identify, document and elevate local community-based practices that strengthen student outcomes, families, neighborhoods and community
• Lift teacher voice and leadership
• Contribute to and strengthen the community school
How do we know our work matters?

- Attendance rates
- Biliteracy rates
- Graduation rates
- College attendance rates
- School culture and climate
- Teacher retention rates

• Now a California Distinguished School 2020
• LAUSD Community School Cohort 1
• School for Advanced Study
• Dual Language Spanish Program
Catskill Ave. Elementary School

Large Community Participation in Catskill Community Evening Townhall Meetings
Ongoing survey to address the needs of our learning community. Families are brought together as a Community School.

Multi-Tiered Student Support Systems Foster Higher Student Achievement
- Catskill achieved 2020 California Distinguished School Award
- Catskill is 1 of 278 schools recognized as 2020 Top Los Angeles County Public Schools

Community Service and Partnerships to Meet the Needs of All Learners
- During Covid19, staff went into the neighborhood to deliver technology devices, and provide information to community resources related to food, housing, utilities and other support.
- LA Galaxy had donated t-shirts and backpacks, Shoes That Fit gave 100 pairs of Adidas shoes, Operation Teddy Bear and Books In Homes gave away free books to every student.
- Carson Sheriff’s building connection with parents and students to support neighborhood safety.
- 5 PSW Interns from top CSU universities support individual student and group counseling services.

Commitment to Our Core Values

https://achieve.lausd.net/shhs
Farmdale Elementary, an IB World and Community School

YEAR 1 ACCOMPLISHMENTS

Over 100 parents and community members participated in a 100 Days Math Celebration to kick off our Community School distinction and partnership with LA City Parks and Recreation. The event was planned by 13 parents.

Increased parent participation with weekly, evening meetings held on zoom that attract 14 to 24 parents consistently including new parents who have not before participated.

Parent and Community Engagement

Staff and teachers have mobilized to assess individual Farmdale families’ immediate needs. To date 61 families have been surveyed and several families connected to basic needs such as food.

Integrated Student Supports

Students, parents and teachers are having a voice as stakeholders in the needs assessment.

According to 169 students surveyed in grades 3 - 5, 69% feel stress mostly due to testing.

Oscar Sandoval, Proud Principal

https://achieve.lausd.net
A group of ten, 4th and 5th grade students worked from November 2019 to March 2020 to survey 80% of each grade to support our school’s needs assessment. Students took their recess and lunch recess to survey more than 340 classmates. Over 80% of each grade.

YEAR 2 PLANS

- Continue Community School Leadership Team meetings and oversight of plan
- Continuation of virtual platforms to engage parents (technology classes, etc)
- Develop strategic connections for students, parents and teachers to resources that support student learning
- Building leadership capacity among all stakeholders groups

All of this was made possible and will continue through the facilitation and outreach of a Community School Coordinator.
Miramonte Community School is the home of 29 general education classes, 7 Special Educations programs and a K-3rd grade Dual Language Program. Miramonte hosts pre-kindergarten through fifth grade programs that service 751 students, of which 97% are Latino, 2% are white, and 1% are African-American. 46% of the students are English Language Learners, 12% are students with disabilities, and 3% are Gifted and Talented. 100% of our students receive free/reduced price meals under the Federal School Lunch program. Miramonte is part of the Diego Rivera Community of Schools in Local District South in the Florence-Firestone Community of Los Angeles County.

https://achieve.lausd.net/shhs
Miramonte Community School

• Increase the access and education on Behavior/Mental Health, Physical Health and Nutrition. Increase referrals to health care providers
• Increase and build relations with community partners, community organization, businesses and political representatives.
• Establish fresh fruit and vegetable pantry on campus.

https://achieve.lausd.net/shhs
Provided parent, student, and staff opportunities to convene in a fun and safe environment such as Game Night to build community.

During the pandemic, we have found new ways to continue communicating and offering support and resources to parents by using Facebook, school website, Zoom, phone calls, and Google voice.

We have offered workshops via Zoom in English and Spanish to assist with parent portal enrollment, summer school application, P-EBT guidance, Schoology, and share PCSS resources.

https://achieve.lausd.net/shhs
Vine Street Elementary
955 Vine St
Los Angeles, CA 90038

https://achieve.lausd.net/shhs
• Developed a school community needs tracker for staff to address needs during the Covid-19 pandemic (food, financial, undocumented etc.)
• Connected students and families with resources
• Worked with school partners to continue providing services remotely

Tiger Strides!!

• **Community Partnerships**, we have been lucky enough to create partnerships with UMMA Organization, The Fremont Wellness Center, the Office of Hilda Solis and the Gloria Molina Center. These partnerships have been a great resource for us as a school and a Community Hub.

• **Student Council**, It is essential that the voice of our kids be heard, especially at a time like this. We have been able to establish a Student Council, comprised of 3rd, 4th and 5th graders. There is 2 classroom representatives who were selected by a voting process. They are mentored and guided by the Community School Coordinator and two other teachers.

2020
Working with the Family Advocacy System/FAS classes from our Small Learning Community/SLC of Health, Entrepreneurship, Art Resulting in Transformation/HEART, began a series of Exploration in Health Careers Forum(s) with Charles R. Drew University of Medicine and Science to foster not only awareness of expanding Career Technical Education/CTE pathways at Wilson in Sports Medicine, but also provide an opportunity for interested juniors and seniors to apply for potential early enrollment at CDU to continue their post-secondary education.

2020/21
Continue to support and expand the work of the LAC+USC Medical Center partnership with Wilson, that is not only intending to bring a mobile health clinic to campus, but that also has provided parents with a forum for discussing current health topics and has also been working with a group of health classes on current events surrounding health related concerns. We would like to expand on the work with the LAC+USC Medical Center by instituting new protocols such as Parent Wisdom Circles, that can be either conducted on-site or remotely, in the hopes of garnering additional parent voices on issues that not only affect them but also the greater El Sereno community in regards to health related concerns.

2020/21
Continue working with students, parents, and teachers on building upon initial conversations around creating more inclusive strategies for creating plan(s) of action that strengthen the home-school connection. This would involve collaboration across the board to hopefully institute some of the following:

• Virtual Parent/Teacher Home Visits
• Schoology Groups for Parents that cover a broad range of topics centered on improving and bolstering the home-school connection
• Edgenuity courses/Schoology Groups for students that provide support in social/emotional issues and mental health awareness

ROBOTICS

Our Robotics club develops students’ interest in Science, Technology, Engineering, and Math using the engineering design process. This program is geared towards gifted and high achieving African American students and seeks to foster leadership and critical thinking skills.

SAVY GIRLS & CELEBRATED SONS

Savvy Girls and Celebrated Sons are unique mentoring programs at 74th Street School. Both programs promote core values and instill an unwavering cultural awareness and PR.I.D.E.

"Bring The HEET TV"
Project-Based Learning

This project-based learning program engages students in solving real-world problems that affect African American students. Students develop deep content knowledge, critical thinking, collaboration, creativity, communication, and technology literacy skills. Students showcase their learning on "Bring The HEET TV."

Integrated Student Supports

Covid-19 Crisis Needs Assessment and Beyond

- 687 teacher responses, achieving over 70% benchmark for parent engagement
- 2 questions: How are you today? Is there anything you need?
- Implemented a system that allowed us to create tools to better assist parents with one on one support, access services, and build relationships
- Over 90 families that received groceries
- Over 30 families that received cleaning products
- Over 15 families that received baby products (including baby formula)
- Over 25 families that received personal care items (including feminine hygiene products)
- Over 10 families that received help with transportation needs (gas cards)
- Over 20 families that were matched with agencies for cash grants
Expanded Learning time and Opportunities

- Developed enrichment classes for students that allowed them to remain at school for extended time: Art, Dance, Leadership Class, and Circle Club for boys
- Hosted Saturday sports clinics
- Hosted Story Time on Saturday morning for children 3-6 years old in our school library
- Upon school closures quickly shifted services to virtual enrichment offering: Dance, Art, Book Club Literature Circles, Cooking, STEAM CAMP, and Story Time for our young students
- Implemented a summer virtual enrichment program that offers Typing, Cooking, STEAM CAMP, Art, and our very first African American Cultural Club

Three Highlights from your school community:

**Integrated Student Supports**
- Play based behavior reward
- Good Sports Grant for equipment
- 100% of our students agree:
  "My teachers work hard to help me with my schoolwork when I need it."

**Expanded Learning Time**
- Saturday ELD Tutoring
- Zoom Reading Lab-48 Lessons
- Zoom- Tutoring
- Saturday Zoom Reading Club
- Fort Nite Zoom Party

**Family and Community Engagement**
- Received two Neighborhood Council Grants
  - GAP- Grandparents As Parents
  - PESA-Parents Educators Students in Action
- Zoe Church/Parent Volunteers Weekly
  Grocery Delivery for Families

**Collaborative Leadership & Practices**
- Team tech support
- 94% of the staff agrees/strongly agrees
  "This school promotes personnel participation in decision-making that affects the school practices and policies staff" Up from 87%
Weekly partnership with Zoe Church to deliver food to over 100 families.

Teachers supported community partners to move online to continue working with our kids on Saturdays.

Social events to bring the children together.

Q&A
Recommendations & Next Steps from the CSSC

Carrie Lemmon| Senior Director Systems Change Strategy, UNITE-LA
Recommendations & Next Steps

1. Build on this critical moment for racial justice and community empowerment to engage our community schools in integrating these discussions with students, family & community

2. Increase attention to instruction & improvement science as Cohort 1 moves into the problem-solving phase of the implementation process

3. Adopt a best-practice validated curriculum for Community School Coordinators & co-construct processes to connect schools with specific technical assistance & PD identified as a need by school teams

4. Formalize a collaborative governance structure & shared decision making for the community schools initiative, and build staffing capacity to effectively implement & expand
Recommendations & Next Steps

5. Develop a Community School Partnership Committee
   • Document existing longstanding successful partnerships as models for expansion
   • Assist in brokering and streamlining partnerships with organizations or systems that are desired across multiple sites
   • Work with LAUSD to remove administrative burdens to school partnerships

6. Evaluate early successes and lessons learned from the LAUSD pilot, as well as from broader community school efforts in the region

7. Develop a 5-yr plan for sustainability & expansion

8. Connect to and support the expansion of a broader community school movement in the L.A. region, that includes existing community school sites and LACOE’s pilot
