GRANTS SUPPORTING SCHOOLS

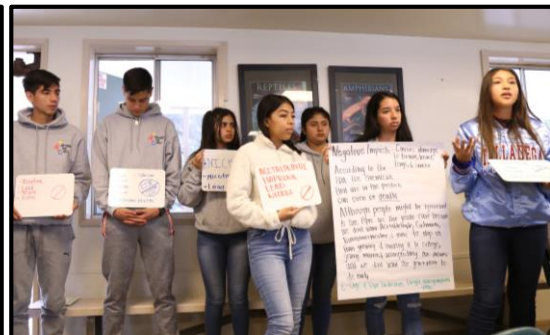

Career Technical Education Grant Prepares Students for College, Career and Life Amount
\$9.2M

- Seeking approval of \$9,170,607 Career Technical Education (CTE) Incentive Grant from the California Department of Education.
- Supports career pathways by funding CTE teachers, supplies and equipment, industry certifications and student participation in Career Technical Student Organizations.
- Provides career awareness, exploration, preparation and training to better prepare students for college, career and life.

Tobacco Grant Educates Students, Families & Staff to Prevent, Reduce and/or Stop Tobacco Product Usage **\$3.0M**

- Seeking ratification of 3-year, \$2,990,328 Tobacco Grant from the California Department of Justice that supports 33 schools.
- Develops student leaders on anti-tobacco and anti-vaping advocacy who in-turn educate their peers. Also educates staff and families to further help prevent, reduce and/or stop tobacco product usage and vaping.
