

Short Avenue Elementary School

September 15, 2021

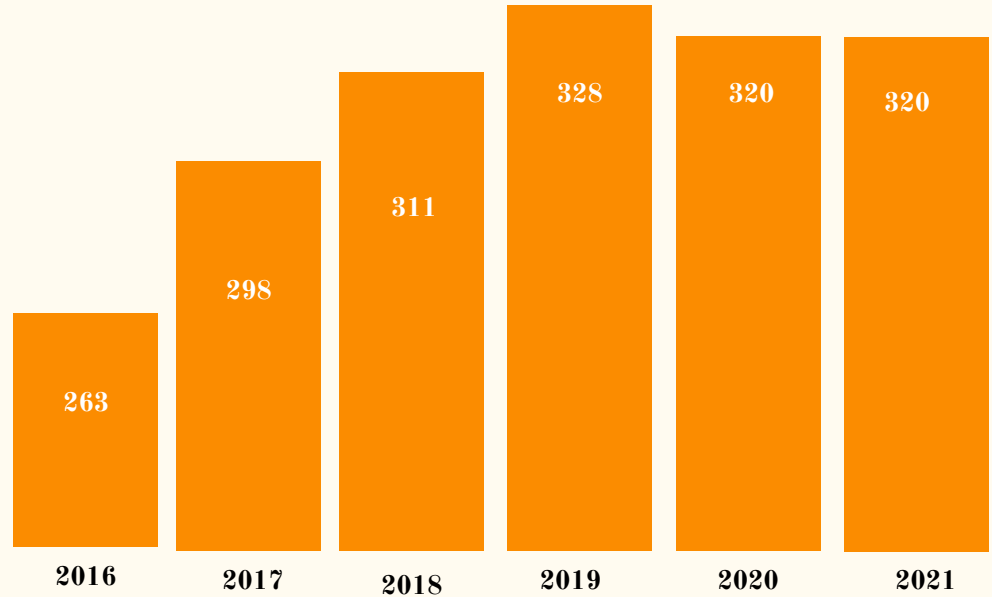

Growth Analysis

Findings

Short Avenue's student population has grown consistently over the past 5 years.

Implications

- More neighborhood children are coming to Short Avenue.
- Each year we have grown a class.
- Expanded grade level teams to allow for at least two classes per grade level.

Programs & Ideas That Increased Student Population:

Play-based TK & K classrooms

Paid teacher PD time

Walk & Talk Tours for local realtors & preschool directors

Spanish Classes

Reggio-inspired beautiful classroom environments

Inquiry Based Teaching

Additional Teachers

After school enrichment
