

PUTTING STUDENTS AND SCHOOLS IN THE CENTER

Amount

Easy Access To Matching Funds For High-Need Schools **\$5.0M**

- Seeking approval of \$5,000,000 bench contract with 61 partner agencies and community-based organizations that high-need schools may contract with to provide specific services needed to improve student outcomes. These services could support:

- Academic enrichment and interventions
 - College and career readiness
 - Parent and student engagement
 - Health and wellness
 - Community safety
- Schools contracting services may also access matching funds.

Job Opportunities For Low Income Students

\$151K

- Seeking approval to ratify \$151,496 revenue contract with the City of Los Angeles Economic and Workforce Development Department to provide 63 low income students (nearly 50 from Los Angeles Unified) with jobs during the school year and summer months.
