# How to configure QuickTime for LAUSD Board Meeting

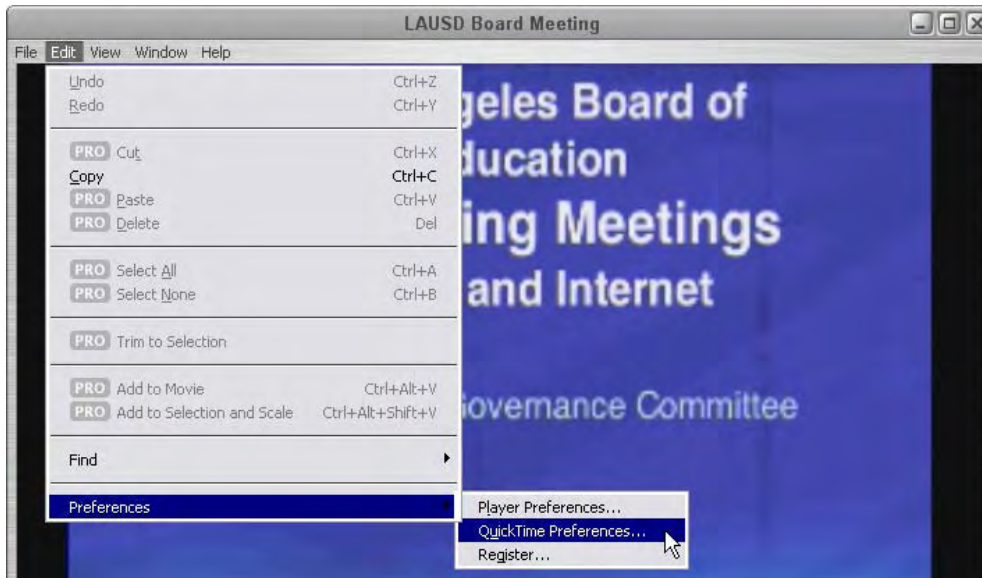

1. Launch Internet Explorer

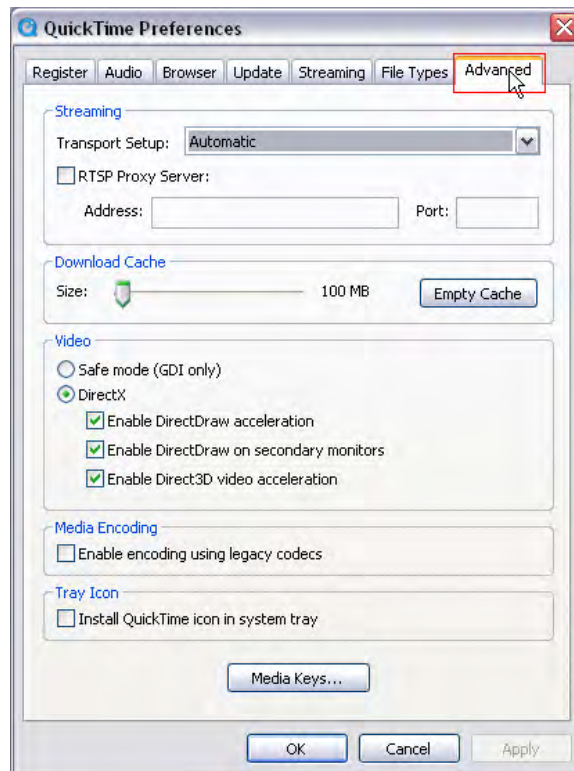

1. In the address bar enter the URL below and press Enter:  
<http://audio3.lausd.k12.ca.us>
2. Click on the link labeled **Click Here to watch our meetings here – live!** this will automatically launch the Apple QuickTime application.

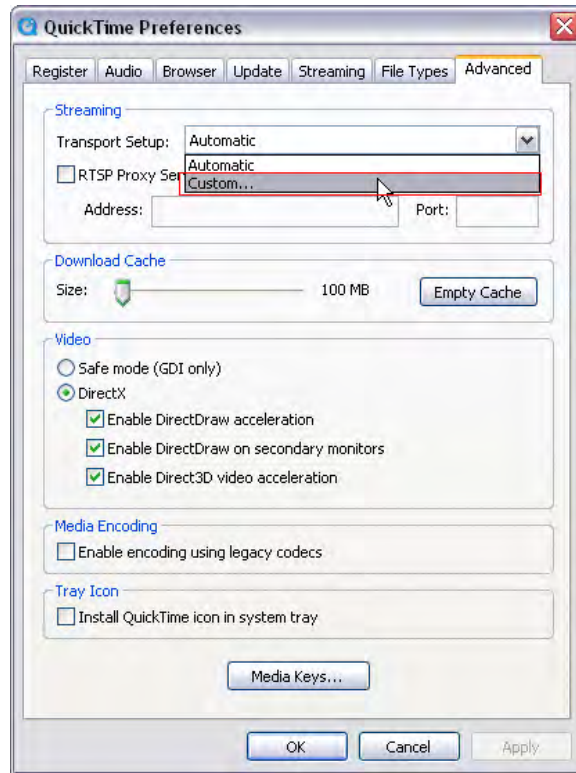

3. The QuickTime application will launch and show a blank page. Click on “**Edit**” located on the top left select **Preferences** → select **QuickTime Preferences**.

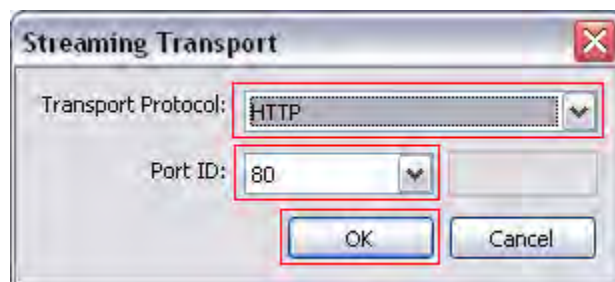

4. Click on the **Advanced** tab.

5. Click on the **Transport Setup** menu bar.
6. Select **Custom**

7. On the pop up window Click on the **Transport Protocol** menu bar.
8. Select **HTTP** and Verify that port **80** is selected.

9. Click **OK**

10. **Close** the QuickTime preferences by clicking on the X located on the top Right Corner.
11. Click on **Play**
